Dear Alan,

Karen, Eric and I had the pleasure of meeting your new Tenant on Manchester – Café Solar, what a delightful addition to our community. Café Solar embraces the healthy-and-humble-surroundings focus of our generation and our young community. This kind of thoughtful tenanting is what will drive our Westchester to become the most diverse and eclectically appealing neighbor of an international airport and will hopefully draw their travelers to visit our little corner of the world.

I have copied our Chamber President, Christina Davis, our new community leader at LAX, Trevor Daley, as well as our BID Director Don Duckworth and the BID Director on Century, Laurie Hughes, as I am sure they will spread the word about one of our newest community gifts.

Thank you.
